"Blessed is the one who finds wisdom, and the one who gets understanding"

—Proverbs 3:13

GET WISE PROJECT

Fellowship of Former Christian Scientists

ABOUT THE PROJECT

- A new effort aimed at helping former Christian Scientists accept, assess, and advance into new life, faith, and hope.

ABOUT US

- We connect people with a background in Christian Science and those who walk alongside them with Christ-centered resources, care, and community.

Leaving Christian Science is only the first step in a long journey for former Christian Scientists.

The psychological damage that comes from years of indoctrination needs to be understood and faced before a person can begin to heal and build a healthy relationship with God.

The "Get Wise" Project has been formed to help people with a background in Christian Science break free from their bondage and take the next step to freedom.

"You can't change what you don't understand."

Rev. Bob Pardon, cult recovery expert of the New England Institute of Religious Research

To learn more about the campaign, visit ffcsministry.org.

WHAT PARTICIPANTS ARE SAYING

- "I can't tell you how ***helpful and affirming*** it was to hear so much of my experience reflected back for the first time."
- "Since the meeting I really do feel like I have more ***mental space*** and ***calm*** than I have in a very long time...maybe ever."
- "I felt very ***validated***, ***heard*** and ***seen***."

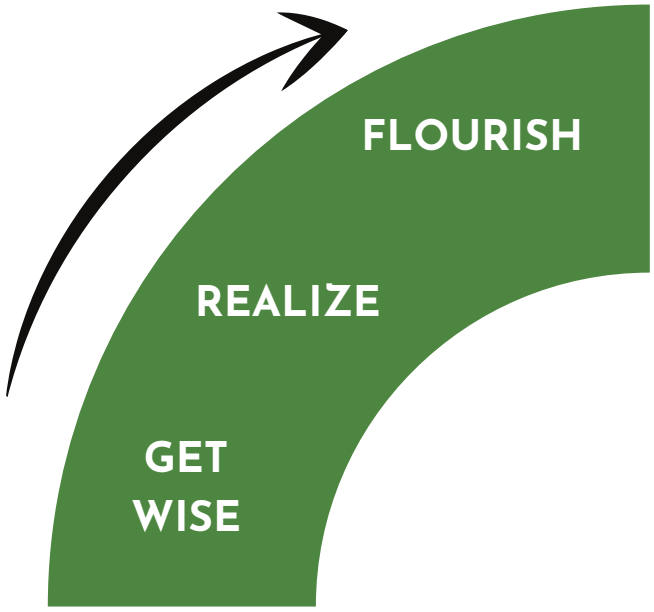

YOUR SUPPORT PROVIDES FUNDS TO

- Hire a website manager
- Collaborate with expert speakers and professionals
- Partner with a blog and social media director
- Provide scholarships and other program subsidizing efforts
- Send free resources to new participants

Fellowship of Former Christian Scientists

To do this we are looking for **$4,000 of monthly support**, which breaks down to:

- *10 givers at $50/month*
- *10 givers at $100/month*
- *10 givers at $150/month*
- *12 annual $1,000 gifts*

The "Get Wise" Project helps people with a Christian Science background:

- **ACCEPT** and **ARTICULATE** their wounding from Christian Science. *We will create core "Get Wise" resources and form "Get Wise" support groups.*
- **ASSESS** where CS remnants remain and **ACQUIRE** skills for recovery. *We will find and equip counselors.*
- **ADVANCE** into new life and **ACCELERATE** others' journey out of Christian Science. *We will offer an invitation to the Gospel of Jesus Christ and develop a "Get Wise" mentoring program.*
